from the USA

Cheese Froth for Beverages

Creamy and foamy, this sweet blend of cheese froth is perfect to top with a refreshing cup of iced tea, cold-brewed coffee or even a hot chocolate.

INGREDIENTS:

- 100g U.S. Cream Cheese
- 100g Whipping Cream
- 75g Full Cream Milk
- 50g Caster Sugar

DIRECTIONS:

- Mix cream cheese and caster sugar till smooth.
- Slowly, add in whipping cream and full cream milk. Stir the cream cheese mixture until smooth and creamy.
- Top the cheese froth with your preferred choice of hot or cold beverage.
